GITHUB PROJECTS

Krzysztof Jarończyk

As a passionate programmer, I have just begun my IT journey and have much to learn.

I am dedicated to constantly improving myself and participate in programming competitions and hackathons.

I approach challenges as opportunities and set goals to overcome them.

My motto is "Planning without action leads to failure. Set a goal and go for it."

Work Experience

Freelance Web Developer

07/2022 - Present

- Developed a course selling website from scratch, in collaboration with another web developer, using Symfony, Composer, Twig, PHP, SCSS, JavaScript, working in PHP Storm.
