- Polish **Native language**

GITHUB PROJECTS

# Krzysztof Jarończyk

As a passionate programmer, I have just begun my IT journey and have much to learn.

I am dedicated to constantly improving myself and participate in programming competitions and hackathons.

I approach challenges as opportunities and set goals to overcome them.

My motto is "Planning without action leads to failure. Set a goal and go for it."

## Work Experience

### Freelance **Web Developer**

07/2022 - Present
